Additional Sound Experience

PQ Production: Ad Infinitum[3]   Purdue University   West Lafayette, IN   2011
Designed sound and programmed server-side user/performer interactions for an original, iPhone-enabled theatre production that will open the 2011 Prague Quadrennial's Scenofest.

Rock Band Network mix producer   Sonic Iguana Studios   Lafayette, IN   2010
I provided stem tracks, submixes, full mixes, and referencing mixes for the Anti-Flag song "We Are the One" to be recreated as downloadable content on Guitar Hero and Rock Band games.

Winter Guard Music Producer   Purdue University   West Lafayette, IN   2010
I created the music for Purdue Winter Guard's 2010-2011 season by splicing songs and composing transitions.

Theatre Production: SNAK ATAK   Purdue University   West Lafayette, IN   2009
Ryan Hopper and I made a half-hour musical theatre production for Purdue's Mallett Theater. Over 150 people attended.
